CARB Announcement

We are pleased to announce that Birchland Plywood-Veneer Ltd. has been certified by the Hardwood Plywood & Veneer Association to meet the California Air Resources Board (CARB) Phase 2 requirements.

Our certification means we are now able to offer our customers a complete range of CARB certified Hardwood Plywood including;

- Particle Core
- MDF Core
- Veneer Core Plywood Domestic
- Veneer Core Plywood Import

This certification demonstrates Birchland's commitment to producing environmentally sustainable Hardwood Plywood products. Together with our FSC Mixed Sources certification (2004) and our recent introduction of BGreen™ 100% NAF hardwood plywood, we are well positioned to supply our customers with environmentally controlled products with any designation they require.

Sincerely,

Lou Vanoyen
VP Operations

Birchland Plywood-Veneer Ltd.
